HAPPY SEXY BIRTHDAY

Dear *Club International*,

I have to tell you what happened recently. I always had a crush on my best girlfriend, Melissa's, guy, Victor, and everybody knew it. I'm not good at hiding my feelings. We hung out together and we were almost like a threesome, but not quite. Still, the other night we went out to celebrate my birthday, and the margaritas were crazy and the food was just so sexy and spicy—not to mention the music in the restaurant was getting me all warmed up.

Well, we went back to Melissa's place where Victor crashes a lot of the time anyway, and we were watching this really cool Carnival DVD from Brazil. It was mad hot with lots of pretty, half-naked people celebrating, and then Melissa and I stood up and started pretending we were on a float like those girls in the video. We got down to our bras and thongs like they were our costumes in the big Rio Carnival, and we were shaking our titties and wiggling our hips. Victor was laughing, smoking and drinking while watching us.

When we were tired we fell down on the couch and Melissa snuggled up to Victor and I sat there—still happy, but also a little lonely and feeling like I was missing out. Then Melissa said to Victor, "It's not fair that it's Britanny's birthday and she doesn't have the thing she most wants." Victor said, "Yeah, baby, I know what you're saying and I think we're going to give it to her, right?" He stood up and took off all his clothes and I thought I was going to have a heart attack! His body just looked so beautiful and it was the first time I got to see his cock. I was really jealous of Melissa then— more jealous than I been before— even though she's my best friend.

"You know you want it, darling," Melissa said, and she took Victor's cock in her hand and began to stroke it. He got so big and I wanted it so badly.

"Come on, girl, take it in your mouth and happy sexy birthday," Victor said.

I looked at Melissa and she shook her head up and down that it was okay, and I went down on my knees and took Victor's thing in my hand. It felt so hot and it was already sticky. I kissed it on the tip and almost felt like I was going to faint. Melissa reached over and took down my thong and snapped off my bra; then she got out of her stuff, too. She brushed my hair out of my face while I sucked Victor with everything I had. I was so jealous and envious that she got to have him all the time, but if this was my birthday present I was going to enjoy it.

I didn't want to take my mouth off his cock, but Melissa said Victor had more to give me for my birthday, so she laid me back on the couch and rubbed my titties while he began to kiss my body all over. He went down

JANA QUICKLY REALIZED THAT GEORGIA LIKED TO TAKE CONTROL OF THEIR SCENE!

StoreMags.com - Free Magazines Download In True PDF format

StoreMags.com

Finally, there was the toy that Georgia brought along for their little get-together. There was something about the evil glint in Georgia's eye that should have told Jana she was going to be doing some heavy-duty service on that double dong. It also seemed like Georgia was calling the shots throughout the session. She relished getting Jana on her knees to pull down her panties and lick her ass. Then she lay back while Jana exerted herself above and fucked Georgia's mouth with the toy and herself at the same time.

The thing was, Georgia wanted to see Jana get so turned on by the heavy, rubbery dildo that she would cum from the excitement of it. She took Jana by the face and told her to open her mouth wide so she could take it in her lips like a "dong whore." Jana had never heard that expression before, but was more turned on than ever.

Although she felt overwhelmed at first, once she surrendered her body, lips, pussy, and will to Georgia and that monster dong—she got into it. She closed her eyes and whirled her fingers over her pussy and listened to Georgia saying over and over, "You know you want it, you dong whore! Suck the dong and make your pussy cum. Don't let the cum hide, let it out. Suck the dong like you'll give it life like a real prick, you hot dong whore you!"

When Jana exploded on her fingers with the toy still in her mouth, she knew she'd discovered a whole new way of acting down and dirty—thanks to this wild creature named Georgia!

NASTY GIRLS, WILD MOVIES AND WEIRD SHIT! BROUGHT TO YOU BY THOMAS NEWTON

PORN DOCUMENTARY

Strand Releasing is set to distribute a DVD documentary entitled *9 to 5: Days in Porn*, which features several well-known adult industry personalities. The 95-minute documentary is billed as "a portrait about people who work in adult entertainment, a business bigger than the music industry." Director, Jens Hoffman, filmed his subjects for a period of over a year, watching more than ten different stories unfold. *9 to 5* documents the professional and personal lives of performers Sasha Grey, Belladonna, Audrey Hollander, Otto Bauer, Roxy DeVille, Mia Rose and Katja Kassin; directors John Stagliano and Jim Powers; agent Mark Spiegler and Dr. Sharon Mitchell, among others. "What we were going for in the movie was to neither glorify nor confirm preconceived opinions or expectations by promoting clichés," said Hoffman, a German filmmaker who captured the footage in the San Fernando Valley, the Czech Republic, France and Germany. "We searched for closeness by creating an honest approach to the subjects with the thought that through personal portraits, we could offer the audience the chance to identify with our protagonists." In addition to the main subjects, there are also numerous appearances in the film by familiar industry personalities such as: AVN founder Paul Fishbein, Nina Hartley, Andrew Blake, Kimberly Kane, Jonni Darkko and Karen Stagliano. The DVD includes footage from the AVN Awards Show and over two dozen performers and directors. The unrated film is available at *Amazon.com* and on the Strand Releasing (*strandreleasing.com*) and *9 to 5* (*9to5themovie.com*) websites. Bonus features on the disc include deleted scenes, outtakes and a Q&A with the director.

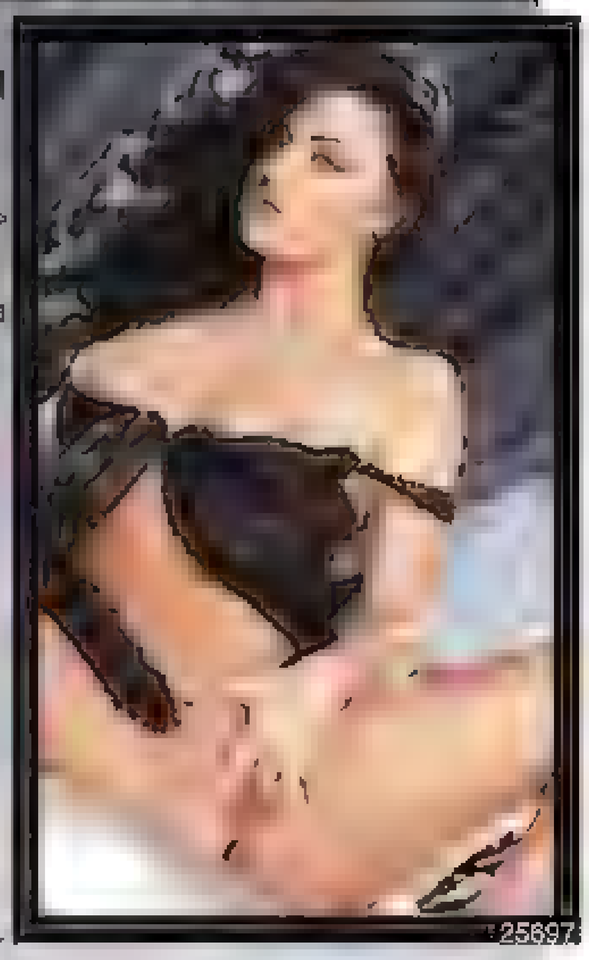
SOPHIE DEE LANDS A MAINSTREAM FILM ROLE AS A PORN STAR



Adult film star Sophie Dee recently recently secured her first major mainstream role in the independent comedy, *Ricky Longdick & the Golden Error of Porn*.Dee, a native of Wales, U.K., plays a 70-era porn star in the fi.m, co-written and co-directed by Daniel Gagliardi and Ken Schefler. Sophie has also appeared in the CW Network hit series "90210," "Model Bal. Internet Show" and will be regularly featured in Showtime's upcoming series "Look," written and directed by Adam Rifkin.

"Working on this project is amazing," Dee said. "I'm having a lot of fun with it—I've always been a fan of the 70s and this movie is a spoof of the X-rated features shot back then. It's a very sexy role, which I'm used to playing, but I aso have a chance to be funny and act, which is something my fans rarely see."

Gagliardi and Schefler said they took notice of Dee because of her prior mainstream roles and her strong audition. They were looking to cast a real porn star, but they were also looking for someone easy to work with—which they found in Dee. "Sophie Dee was an invaluable addition to the fi.m," Gagliardi added. "She brought an incredible talent, comic timing, and an authenticity to the character that would have been missing in a .esser actor's hands. In each of her scenes, she always discovered the heart of what made her character funny, and expertly exploited it to the fullest."

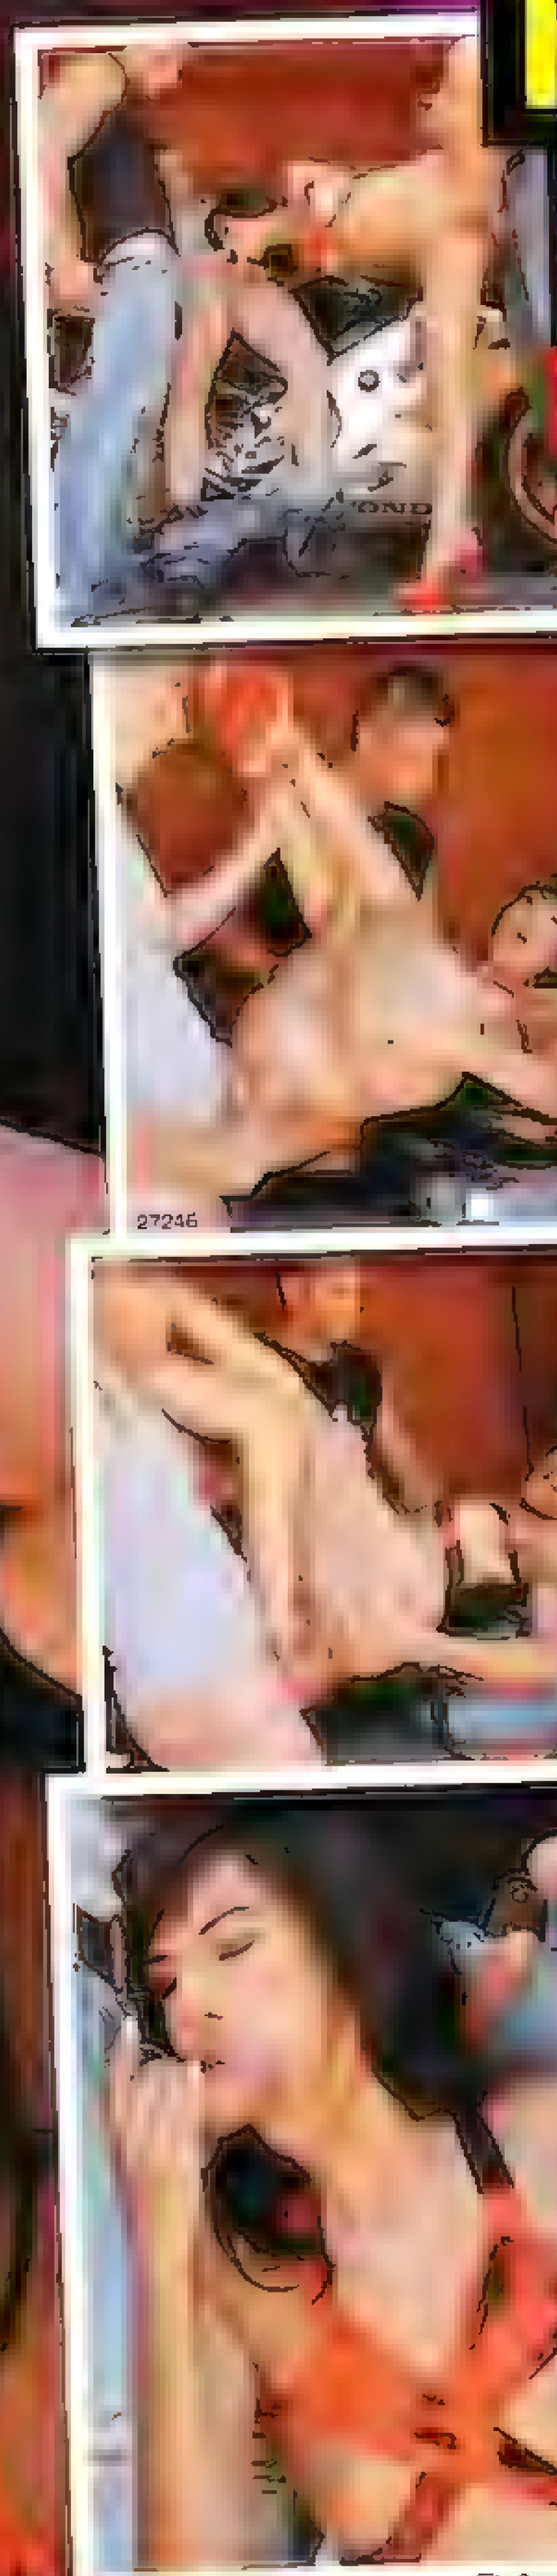
NEVER ENOUGH COCK FOR HER!

CHERI STARTS A DIET SHE'LL KEEP FOREVERMORE!



StoreMags.com Free Magazines Download in True PDF format

Forced to park her car so far from the supermarket, Cheri had to walk past that gang yet again. This happened too frequently to be a coincidence. Why did she never find a spot closer to the store?

Well, she understood why, after she responded that morning for the first time ever to the mechanic's usual comments and catcalls. Yes, she had managed to walk again and again near those scruffy men with their tanned shoulders, thick hands, and...well-packed jeans. Oh my god she wanted cock—and there was a lot for the taking. Finally, she understood herself as clearly as if a

Digrid had been turned on in her brain. She understood even more when she went further in the back with those men and did everything her husband, Roger, would never dream of her doing, right? For instance, serving three cocks—a dick in her cunt while she sucked on another. What a dirty slut! Beautifully dirty and free at last, she thought. She was free even if only for these few snatched minutes. While doing everything in those crazy red shoes that Roger had naively bought her to wear only when he asked her to play "stripper and customer—" she'd give him a lap dance in his easy chair and accept his tip of play money borrowed from their Monopoly game.

As the cum rained down on her, Cheri thought Roger should have known. She had never even taken out her little tongue stud—a souvenir of her wild bachelorette days. Maybe she'd been trying to tell Roger something with that item. Maybe he didn't want to listen? Or maybe he did listen, and didn't care? Or wanted her to...still suck other men.

She went back to the dicks. By god, there was cum to swallow! There will be plenty of time for Roger later!

ALEXIS FORD: AMERICAN MADE

Starring: Aexis Ford, Isis Taylor, Nicole Ray, Dani Cole, Justine Joli, Tommy Gunn, Evan Stone, Kris Slater
Directed By: Jim Malibu
Available From: Adam & Eve Pictures

With a bustling mechanics shop that specializes in antique cars and fast women, new contract girl, Alexis Ford, leads an all star cast of industry heavyweights in her pioneer project.

Coming out strong with her first-ever boy/girl scene, Alexis proves she's no stranger to cock when delivering an incredible blowjob to Tommy Gunn. Afterwards, she rides his bone like a seasoned player, leaving a lasting impression and lots of cum in her mouth.

When the smoke settles on that scene, Evan Stone is found in the backyard giving it good to Dani Cole. With an expert cock and a beautiful pussy to put it in—these two fuck like bunnies displaying their best work when Dani takes the reigns in reverse cowgirl.

Before the show ends, Tommy has another scene with Nicole Ray. Alexis's awkwardly sexy assistant. Coming to life as soon as her panties hit the floor, Nicole proves she's no wallflower by giving Tommy a run for his money across a bank of stairs. We sure do like her!

Later, it is an absolute treat to discover the inclusion of Justine Jolie. Looking beautiful as always, Justine hits a high note when getting her eager beaver polished by Alexis. Smeared across the bathroom counter like jam, these girls really satisfy.

The final image of Isis Taylor shaking her big ass for Kris Slater makes for a nice capper to this couple's friendly production.

★★★

Extras: An interesting interview with Alexis Ford proves that she's just as intelligent and well spoken as she is beautiful. More behind the scenes antics gives an accurate depiction of life on a porn set, which may be of interest to porn viewers. Also strong are the gallery of hardcore images, trailers for upcoming attractions, and the bonus scene staring Isis Taylor. Hot!

★★★★

ASHLYNN BROOKE'S ALL-STAR SLUTS

Starring: Ashlynn Brooke, Ashli Orion, Sadie West, Brandy Talore, Brianna Beach, Michael Stefano, Rocco Reed, Erik Everhard, Mark Wood, Ralph Long
Directed By: Eddie Powell & Paul Woodcrest
Available From: New Sensations

Directors Eddie Powell and Paul Woodcrest, collect bangable sluts for what becomes a good example of wall-to-wall fucking that focuses more on the sex than on the storyline. Great lighting and attractive locations do their part to add to the overall appeal of this sharp offering.

Right off the bat, Ashlynn Brooke is out to prove she's queen bee. She does so with Michael Stefano when she slobbers on his cock and really lets him lay into her in several positions that leave her naturally dripping.

Ashli Orion also proves to be one hot piece of ass when taking Rocco Reed for a ride. Although younger, Ashli dominates her scene and actually manages to fuck up Rocco more than he fucks her up!

Keeping the action alive, lightning in a bottle is achieved in the next scene when Sadie West collides with Erik Everhard. Each performer in this duo tries to outdo the other by taking one another beyond their limits. The result is angry fucking and a pummeled pussy to prove the point.

In a much tamer display, Brandy Talore does her best work when taking Mark Wood's big in spoon position. In time, she pleases when shoving her heavy hooters in her mouth. In the end, Brianna Beach closes the show by pulling her pussy lips open to allow Ralph Long to slide inside. ★★★

Extras: It's always a pleasure when a bonus scene is added to spice things up. Here, you get one starring Ashlynn Brooke and Mark Ashley! Also hot are the well-presented photographs and behind the scenes play. The positions from the drop down menu are also a great touch, while the widescreen capabilities and full motion menus help add to the experience. ★★★★

BIG WET BUTTS

Starring: Carmella Bing, Shyla Stylez, Bree Olson, Ava Devine, Sandra Romain, Rita Faltoyano, Katja Kassin, Tricia Oaks, Kurt Lockwood, Phat Zane, Tommy Gunn, James Deen
Directed by: N/A
Available From: Brazzers

In this all-anal showing, Brazzers really kicks things into high gear by showcasing some of the best butts in the business, some of which are fabulous asses from the past. When those incredible cracks are combined with big cocks and offbeat porn scenarios, the result is a stroker lover's paradise.

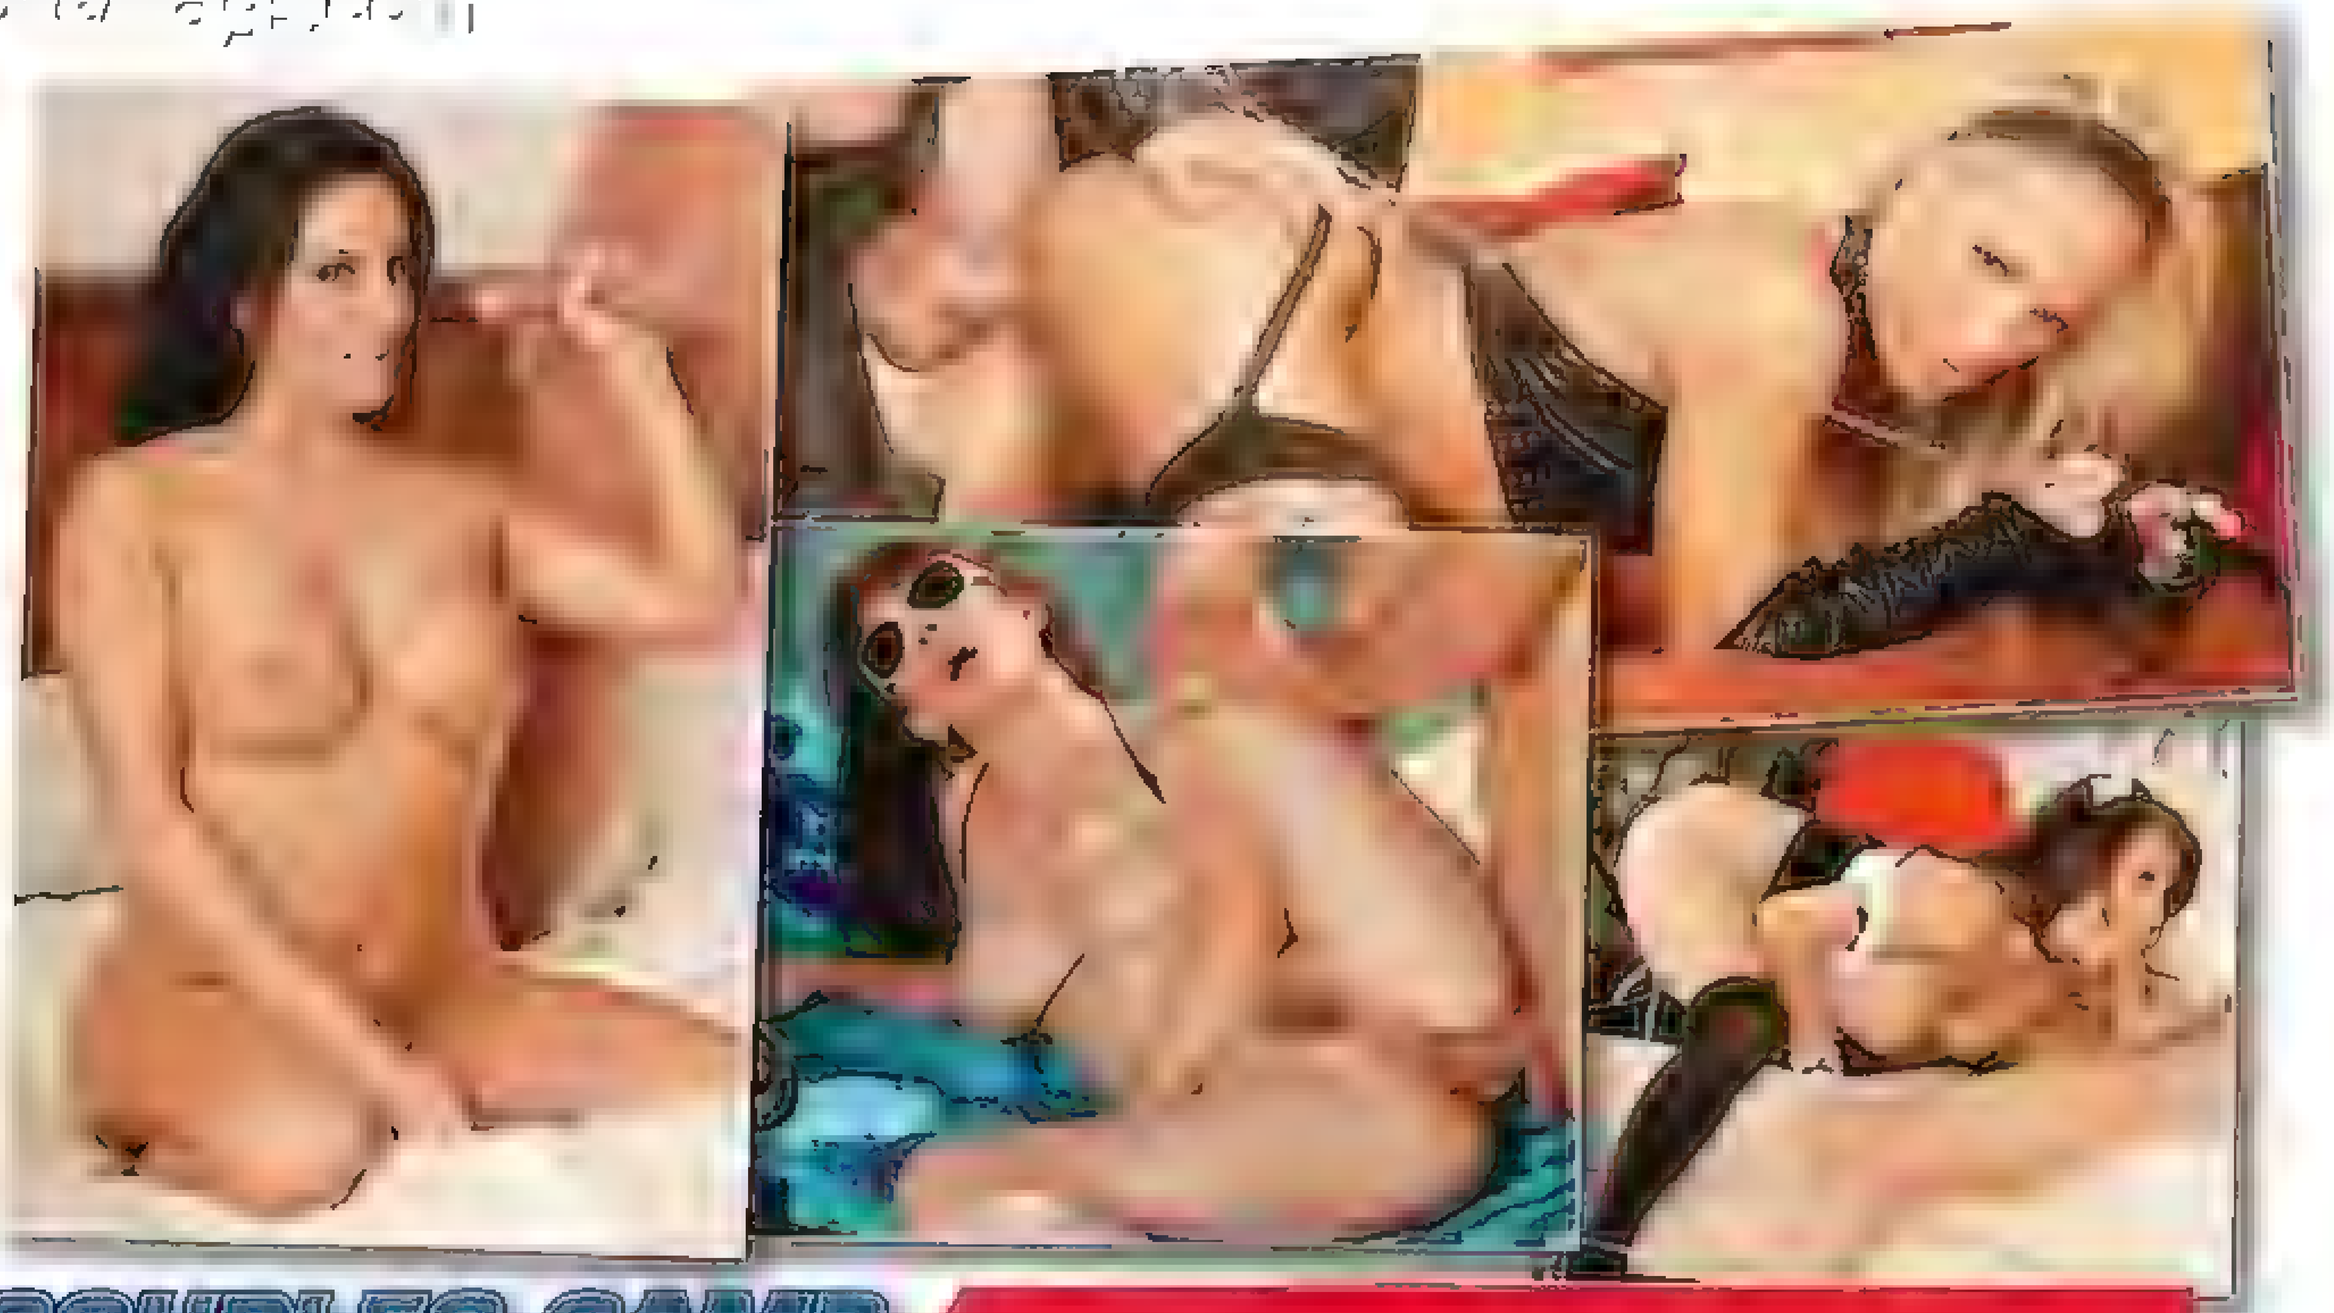
Shyla Stylez and Carmella Bing—two incredible butt whores—really make a splash when churning out the butt broth with Kurt Lockwood. He tears through each bung, although the hottest display is when the girls stack up in the sixty-nine position to take it from all of the hot angles.

Phat Zane also does a nice job of laying down some lumber in Bree Olson's pucker when he picks her up at a home improvement center. His reward for a job well done is a sloppy blowjob—down to the balls.

Ava Devine and Sandra Romain are up next and deliver the best scene of the movie. After rubbing their oily asses together, they set their sights on Tommy Gunn. Together, they are ass fucked and twisted around like pretzels in what becomes an outrageous anal explosion.

Rita Faltoyano is quick to follow-up that particular performance by making Kurt Lockwood squeal when she wraps her tight ass around his pole. Finally, Katja Kassin and Tricia Oaks donate their derrieres to the project in their quest of mastering the art of anal! ★★☆☆

Extras: The standout attraction here is the incredible bonus scene that has Jasmine Black taking tongue, toy, and tool up the ass in a scene that is just as hot as any of the ones featured. The cumshot recap option also proves to be a gooey good time, while the stills gallery offers a decent look at the girls in action. It's more of the bouncing, big butt action you've come to expect. In other words: Hot! ★★☆☆



COUPLES CAMP

Starring: Mikayla Mendez, Jenna Presley, Kara Novak, RayVeness, Dane Cross, Kris Slater, Mick Blue, Randy Spears, Rocco Reed, TJ Cummings
Directed By: Jonathan Morgan
Available From: Wicked Pictures

In another comedic offering by director Jonathan Morgan, Mikayla Mendez and Rocco Reed enlist themselves in a couple's camp. What transpires is a whirlwind of sex-filled fantasies that keep the action hotter than the campfire.

The movie begins with Rocco taking Mikayla from behind in a decent doggie display that leaves her foaming at the mouth. A lukewarm opening at best eventually makes way for better sexual displays.

One of which occurs when fellow camper, Randy Spears, reveals his ultimate fantasy. As his scenario materializes, Jenna Presley dressed as a French maid—appears. She busies herself by polishing Randy's knob and dusting his dong between her tits before smacking down on his lap in reverse cowgirl.

Trying to save face in front of her husband and the other campers, RayVeness makes it a point to reveal her fantasy next. Here, she fantasizes about opening her legs wide for Mick Blue. She looks best, however, when shaking her natural tits in his face in cowgirl position. Hot!

Young Kara Novak also does a standout job. Dressed as a dominatrix darling, she takes complete ownership of Dane Cross by yanking his chain while getting her under carriage serviced in doggie. Arff!

Mikayla eventually ups the ante in the end when taking on two cocks. Although good, the results are more of a simmer than a boil. ☆☆☆

Extras: Never a company to shy away from offering plenty of extras, Wicked Pictures delivers a bonus scene starring Mikayla Mendez that is packed full of heat. The photo gallery spread is also exquisite, displaying quality images that are worthy of praise. The company and performer profiles are also interesting to read, but not as good as the full-length movie trailers. Those are hot!

☆☆☆☆

PORNSTAR WORKOUT 2

Starring: Kagney Linn Karter, Shyla Stylez, Kelly Divine, Isis Taylor, Sadie West, Angelina Armani, Gracie Glam, Madison Parker, Mark Ashley, Anthony Rosano, Manuel Ferrara
Directed By: Mason
Available from: Elegant Angel

Watching athletic girls stretch, play, and workout for the camera is always a solid premise for a good skin flick. When those top-ranking girls and the razor sharp vision of director, Mason, are combined, you've got yourself one hell of a stroke show!

Clearly, the main draw here is cover girls Kagney Linn Karter and Shyla Stylez. Together, they booby up and shake their stuff for Mark Ashley. With each girl getting their pussies popped to perfection, Kagney stands out as the top ho when she is found chocking on his cock and balls.

Isis Taylor and Kelly Divine make for another incredibly hot tag team by displaying their bodacious butts. Exceptionally great is their warm up session before turning their bodies over to Mark Ashley. After burying his face in each ass, Mark really has the girls sweating as he plows through each pussy like a steamroller.

Always good for an energetic scene, Sadie West loses all control the minute Manuel Ferrara flashes his monster wang in the follow-up sequence. From here, it's a personal battle to see how much she can stuff, suck, and swallow. Hot!

Blonde bombshell, Angelina Armani, certainly knows how to break the ice with Anthony Rosano by bouncing her big ass up in down in cowgirl, while Gracie Glam and Madison Parker prove that good things really do come in small fucking packages!

★★★★

Extras: In addition to some basic BTS coverage, a photo gallery section featuring actual clip grabs from the scenes as opposed to a regular photography session is available. The results are fair, although several hot shots are indeed represented. The trailers for coming attractions are also quite nice although the real crown jewel is the featured attraction itself.

THE DARK SIDE OF MARCO BANDERAS 3

Starring: Annette Schwarz, Jada Fire, Diana Doll, Mya Luanna, Pinky, Katja Kassin, Rebeca Linares, Sienna West, Alanah Rae, Marco Banderas, Lexington Steele
Directed By: Marco Banderas
Available From: Mercenary Pictures

Marco Banderas—the sensual Spanish performer—proves to be more than just a Latin lover in this supercore offering that showcases the darker side of his sexuality. Marco and crew—along with a daring female cast—set out to blur the lines between naughty and nice. They do so quite nicely in fact, delivering an impressive movie that bubbles over with three hours of hardcore, insatiable footage!

That line is immediately erased the moment Marco collides with Annette Schwarz, in what becomes a roller coaster ride that leaves Annette's asshole foaming and gaping. Her saliva-enriched blowjob only serves to add an extra helping of lube for his backdoor assault. Stellar!

Pound for pound, Marco meets his match in the next scene when Jada Fire comes at him at full force. Eager to make him earn his orgasm, Jada pounds down on his lap, making him scream before licking up his big bang!

Rebeca Linares also proves to be a bit more aggressive than usual when she teams up with Alanah Rae to take down the bull. Both girls grab Marco by the horn and greedily shove him inside, quenching their thirst throughout with scads of slit juice that covers their legs.

Also hot is Katja Kassin—another cock whore who stands out when paired up with Mya Luanna. Although Mya does great work with Marco, her efforts remain at apprentice level when compared to the Russian master.

★★★★

Extras: A worthwhile look behind the scenes at Marco interacting with the girls is offered with these extras. This becomes exceptionally hot when he speaks and gives his Latin tongue to Rebeca Linares before laying down some pipe. The inclusion of a fetish menu that puts you in charge of your favorite positions is also a fun bonus. The presented images are only so-so, while the trailers prove to be much more caliente! ★★★

Missionary. I'm lazy. I want the guys to do all the work.

LELA STAR:
I would have to say doggie, because you know when you are getting it doggie and the balls slap on your pussy? I like it: I'm a big fan of it!

I love being fucked doggie style while looking at a mirror. I love the titillation of watching and feeling myself being fucked at the same time. Balls slapping against my ass also turns me on. I love seeing his face while he fucks me.

FAITH LEON:

I have two: I like doggie and I like missionary. If I'm being more aggressive, I'd rather do doggie because you can grab the hips and fuck really hard. If I'm being more passionate, then that's when I prefer missionary because I can stare at him.

I love anal because within a minute you'll get me having an orgasm. I don't need to play with my pussy, either—I just cum. And with DPs, I'll have two orgasms in different areas, which is great! I'll have an orgasm in my pussy and in my ass—and you can feel the difference in the orgasm.

INTERVIEW By Girth Brooks

RACHEL ROXXX

Big Bang Theory

Cocksucking lips, a brutal, hard ass and as fine a set of D-cup tits as you'll ever see, have all helped this San Antonio slut rise to the very top of the XXX industry. Whether she's rolling her tongue on a long, rigid shaft, sucking the juice off a wet, pink clit or taking a swollen pole in her eager ass and pussy—Rachel Roxx knows just what it takes to keep her co-stars (and fans) spent and satisfied.

Do you remember the moment that you decided that you were going to be a porn star?

Rachel: It was New Years Day of 2007. I moved to L.A. on January 2nd. *(laughs)* I had fantasized about it for about two years before making the actual decision.

What tipped the scales to make you decide to go for it?

I attended the AVN convention in 2005 as a spectator, and from the moment I walked out onto the convention floor, I was interested in the lifestyle. I was friends with (adult star) Jack Venice in high school and we kept in contact for two years before I made the decision to come out here. He said, "Don't talk about it, be about it." So I did.

Had you seen a lot of pornos before you got into the business?

I had only seen one porno before I did one, *Bella Loves Jenna*. And it was amazing—not what I was expecting porn to be like. It was beautiful, yet a bit strange.

Has life as a porn star met your expectations?

My experience as a porn star has been pretty cool. I have most definitely learned a lot about my sexuality. If you watch my first few movies, and then my movies now, you can see a huge change in my performance.

What performer is at the top of your wish list for future scene partners?

I want to work with Bill Bailey as much as I can.

You have something of a rep in the business for possessing major blowjob skills. Is this something you excelled at before you got into the biz, or did practice make perfect?

I guess when you really enjoy something you're gonna be good at it naturally! I get off on it, so that makes it fun for everyone

In your experience, who are better pussy eaters: Men or women? Does being female and knowing what feels good make it easier to be a good pussy eater?

Women are better if they actually like being with women. The chicks that don't like pussy are kinda like, "Whatever." I like a really soft, wet tongue on the top of my hood and a finger or two to slide inside me.

Honestly, I was really scared and in a bad mood. *(laughs)* I had never met the guy before, so that made my nerves even more of a mess. The scene ended up being not too bad, though. I have since learned how to really enjoy taking it in the ass. Well, with

a vibrating anal pump that is.

Have you had a lot of anal sex in your off screen life?

I have had anal sex two times off camera. I am single and I would prefer to only do that with someone that isn't just in it for a sport fuck, if you get my drift.

Do you do feature dancing?

I'm terrified of dancing in front of people. I did it one time and my knees were knocking so badly I could barely stand. I really want to get into it, though. It seems like a great way to interact with fans. I will look into it more.

Can you tell us your hottest masturbation fantasy?

I love thinking about that someone special being with me–he will remain anonymous for now. I just fantasize about the way it will feel to have his hard cock inside me and my pussy immediately starts getting wet. I bang myself good and hard, then I black out, take a nap and feel very satisfied when I wake up. *(laughs)*

When it comes to sex on camera, do you prefer a gentle approach with lots of kissing, touching and foreplay—or do you prefer your scenes to be rougher?

I like to start out with that fierce look of "I'm gonna dick you down, girl." I really love being talked to with sexy talk, and starting out slow then picking

up the pace. I also enjoy adding another chica in there. I get somewhat turned on by watching my boy—if I had one—do my friends; only the ones I don't hang out with on a constant basis. I also happen to be a plushy lover, but don't tell anyone.

How performing sexually on set made you a better sex partner off set?

Absolutely. It has turned me on to the fabulous world of being try-sexual. I'... try anything! I'm also more in tune with how to please myself and others. Generally I'm a more horny person these days.

Is there anything you've ever done in a porn flick that you regret?

Rachel: Some things I don't think I would do again, but I'm really glad I tried them just the same. There have been a couple of embarrassing moments here and there in different scenes, but it's all good.

Do you have aspirations about winning industry honors and awards, or do you not think about that?

I would love to get some sort of credit for something that I have done. It would feel like a lot less of a waste if that happens. But if not, I know I definitely made a sma.. mark in this industry.

What is the one trick, technique, or move that a partner can do to guarantee to get you off in a big way?

Stick my new favorite toy in my ass and watch the magic. Just kidding. I really get off on proper sexy talk.

What is the best way for fans to find out what you're doing and where you'll be appearing?

My Twitter is poppin' most of the time. I like to post silly pics, randomness and my favorite songs. My website is *www.RachelRoXXX.com*, but its still in the making. You should definitely keep an eye out for it, because it's gonna be hot.

CARNAL CONSTRUCTION

TEA TEASES THE CREW WITH HER SLUTTY EXHIBITIONIST WAYS

The second Tea (pronounced TEE-AH) walks onto her balcony in the morning, her pussy drips with the catcalls from the construction workers. This carnal cutie craves the attention, and nothing riles this slut up more than knowing her curves and light touches on her morning skin is making their balls fill up with sizzling jizz.

Slowly taking off her see-through nightie, Tea plays with her taut nipples and soaking snatch. Her skin is dewy from her morning shower and the moment her soft fingers rub against her swollen nub, she shakes. Suddenly, she can hear that the jackhammers have stopped, and her moans and cries are heard from across the way. Looking over her shoulder, Tea notices the hardworking men rubbing their denim-encased cocks, and with that wanton urge, a ferocious orgasm rips through her belly and she arches her back to move her fingers deeper into her heated pouch. It doesn't take long before a musky wet spot pours from her hot pocket, producing a large wet spot on her silky lingerie.

The flirty yelling turns into husky moans from the morning crew, and when this hardcore hottie licks her sticky fingers, she hopes there is an early evening matinee so she can continue her erotic exhibitionism!

RIDE THE HIGH SAUSAGE

SUSIE SWEARS AND FUCKS LIKE THE TOUGHEST SAILOR!

You wouldn't think the shape of a person's hands could affect the direction of her sex life, but that was the case with Susie. She had square, boyish hands and was always teased by her older sister, Mika, who had slender, elegant ones. "You've got the hands of a sailor," Mika used to say. "You'll never be a lady." Mika was stuck-up and bitter, but Susie believed her. "Maybe I do have the hands of a sailor," she'd say to herself. "Maybe I should have the sex life of one, too?"

By the time she was 22, not only did she have the hands and sex life she imagined sailors had, but she also could swear like she figured sailors could. Susie traveled as an exotic dancer, and had a stud in every port. And when Renaldo—one of those studs—put a thumb in her asshole when they were fucking one afternoon, Susie let out with a speech that startled Renaldo: "Oh my fucking... your finger on my ass is so damn good! Get it down to the knuckle, you fucking hung bastard you—you big-dicked Renaldo with fat fucking fingers!"

Not like an ordinary sailor, but more like an admiral in command, Susie took charge of the situation when, at that point, Renaldo wanted to put his cock in her butt. Sure, she could do it doggie style, but it really got good when she climbed on top and used those boxy mitts of hers to pull apart her butt flaps so Renaldo could shovel his root up her rectum. As the ass-screw got more intense, she let loose with "Oh my fucking shit... goddamn fuck it's good! Bang my butt, you crazy asshole bastard with a dirty master cock." Needless to say, she was keeping intact her raunchy reputation as a foul-mouthed sailor slut of the high sausage!

Third Degree Films Presents:

NYLONS

27267

STARRING: Sara Sloane, Anny Brooke, Andy Sato, Dinas Juelz Ventura, Tanna Tate, Mr. Pete, Mark Wood, John Strong, Denis Vent

DIRECTOR: Miles Long

AVAILABLE FROM: Third Degree Films

For some people, there is nothing quite like a pair of great legs. Imagining curvy calves decorated in Cuban-heeled stockings with pin stripes running up the back has enough visual impact to keep your heart pumping and your balls tight. This scenario becomes exponentially more explosive if you're on the receiving end of such a sexy surprise. However, the fantasy of nylon-clad legs extends even further to satiate our other senses beyond just our immediate sense of sight. Even the sound of fingernails running up and down the length of nylons, or teeth being tangled up in fishnet stockings can be quite erotic. Perhaps it's the anticipation of feeling the soft skin underneath, or maybe it's the thought of smelling or tasting the moist pussy that's locked inside the silky fabric that gets us going? Whatever the case may be we can all agree that legs are hot!

Interesting in uncovering the eroticism surrounding this fascination, director, Miles Long, along with a laundry list of celebrated starlets, have come together in *Nylons 7*, his latest wall-to-wall offering for Third Degree Films. Together, they plan to get to the root of this kinky fetish and have graciously offered us a ringside seat into their glamorous world of lusty ladies with luscious legs. Trust me; this is the hottest ticket in town.

"Wait until you get a look at the line-up for today," Long boasts as he bites the back of his fist. Just then, contract starlet, Sara Sloane, comes sauntering around the corner wearing peek-a-boo stockings that reveal her velvety soft bush and a lacy bra that perfectly accentuates her flawless tits. Bending and twisting for her handsome director, Sara gushes, "I feel so sexy in these stockings." The temperature on set begins to rise as the sound of boners popping against pants fills the room!

Sara continues posing into sexy positions for the camera while taking her "pretty girl" shots. In fact, she uses this session as a sort of visual foreplay to get Mark Wood-her dick for the day-all riled up. With a reddened face and a twitching leg, Mark bursts onto the set and is unable to control his lust any longer. "Fuck, I've got to have you now!"

Mark dives into Sara, wrapping her stocking-clad legs around his neck to gain full access to her beautiful beaver. Already wet, Sara tugs on her see-through fabric and watches his tongue swirl around her pretty pink. "Don't forget my asshole," Sara teases, adjusting herself back even further to give him a taste of her experienced butthole.

"Wanna stick your cock up here?" Sara teases, pointing to her clam. From here on out, Sara takes complete control of the situation by mounting her stud in cowgirl position. With her tits smashing up against his

face, nipples tickling his nose, and her ass meat gyrating in place, Sara gives Mark her all. With his camera held steadily in place, Long gets inches away from the action until the entire frame is filled up with Sara's stuffed pussy. He gives us a thumbs up.

After a few more positions that has Sara pooling and slipping across the slick leather chair, Mark spreads her legs open like a wishbone and busts his nuts over her pubes and pantyhose for the scene's finale. It's a perfect introduction to the movie.

With the blonde-to-brunette ratio being almost equal, Long chooses Andy San Dimas-a fresh faced brunette-to continue the show. Looking like a wet dream come true, Andy looks sensational in a black teddy that is piped with hot pink trim. In fact, she's never looked more glamorous as she usually appears in more edgy, alternative-style productions.

"How do I look?" Andy smiles, twirling around like a princess. Our wagging tongues speak louder than any words we can speak, so we leave it at that. Feeling sexy, she smirks and takes a seat on the sofa, peeling her panties off to reveal a spongy pussy and muff hair as delicate as Chantilly lace. Our visual quickly becomes obstructed by Mr. Pete's penis when he bum rushes the chick by sticking his cock down her throat. Momentarily taken off guard, the inner whore in Andy quickly adjusts to her new surroundings as she sucks and blows like a seasoned, slutty player.

Soon, her stomach and silk stockings are dripping wet with tongue dribble as her mouth work begins to include a thorough ball polish. "Yeah baby, you missed a spot!" Mr. Pete teases, holding his cock up with his palm before letting go so it can bounce off Andy's forehead.

After a playful demonstration for dominancy, Mr. Pete wins out by placing Andy on his lap to fill her up in reverse cowgirl. She straddles his legs and stabs the tips

of her heels into the stone floor while Mr. Pete power pumps her from underneath."You. fucking pussy freak!" Andy screams, as Mr. Pete's invasive assault is pushed to the next level.

Soon the room becomes eerily silent, signaling the calm before the storm. After a few more seconds of stillness, Andy lets out a gut wrenching scream as her pussy explodes with a juicy orgasm that covers their crotches with clam juice. This proves to be all Mr. Pete can take. He yanks out and lines her stockings with his frosting. "Oh, yummy!" Andy cheers, while licking up the salty dumps from her legs.

Amy Brooke-a cute blonde that would more likely be associated with shopping at the mall than wearing high-end nylons-is up next. Nonetheless, this babe looks dynamite in her hot pink bra and panties that are set off perfectly with black nylons that weave up the back and artsy shoes.

Despite her girl-next-door innocence, it turns out this debutant is a secret anal whore in disguise, as the first words that come out of her mouth are, "I've wanted a hard dick in my ass all day!" Long is also a bit taken aback by her honest admission, although John Strong appears to be well versed in the demands of this anal junkie in training.

"Lets fix your little problem," John smirks as he immediately positions himself behind Amy on the elegant sofa. Grinding his cock into her body, John nibbles up the back of her neck, breathes into her ear, and sucks on her earlobes as a way of turning her holes into raging waters. Apparently, his manner works like a charm as his cock begins to make its way up her butthole. "Oh yes, that's the spot," Amy begins to moan as the first signs of her pucker paste begin to stream out from her anus. Once well lubed, John begins to hammer his nail into her

ass. Surprisingly able to take his anal stabbing with a smile, Amy actually begs for John to stop fucking around and fuck her harder!

This seems to stir the fire in him even further as he folds her in half and decides to do double damage up her pussy in doggie position as their next position. "Now what?" John begins to shout, as this arrangement is proving to take the stuffing out of this tasty young muffin. "Ahhh! My God! My God!" Amy screams.

After a while, Amy falls to her knees and envelopes John's joint inside of her left stocking. She sucks his shaft and uses the soft material to help jerk him off. Eventually, her technique works like a charm as jizz begins to stream over the crumpled up fabric and into her mouth. Hot!

After a short break, Juelz Ventura, an edgy chick covered in tattoos and capped off with short black hair, is up next. Although leather, chains, and whips may be a more appropriate choice for such a gal, Juelz proves to look quite beautiful in a dainty lingerie set that is fit for royalty. "I feel so good dressed up like this," Juelz reveals to Long as he compliments her on the beauty of her mile long legs. Their moment of connection is quickly interrupted when Denis Marti joins the duo on set by spitting, "Yeah, I can't wait for those fuckers to be tied up around my waist!"

Understanding the nature of the game, Long gives Denis the okay to tear into Juelz's beautiful wrapping like a birthday present surprise. This is exactly what he does by placing her over his lap to run his nails across the length of her nylon-clad legs. This seems to be pushing all the right buttons, as Juelz starts to sigh and her legs begin to open up as if being controlled by a magnet. "Play with me," Juelz cries in an innocent voice that doesn't quite seem to match her rough edged exterior. Apparently, this girl isn't as hard as we originally suspected. In fact, she's made of marshmallow puff inside.

Denis quickly begins to understand this point as well, as he replaces his "Seek and Destroy" mentality with a more gentle tone. Soon their lips are locked in a loving embrace and their bodies seem to be melting into one another, in what ends up becoming a very romantic demonstration of passion.

After ample oral is administered on each, Juelz locks her left leg over Denis's shoulder as he makes his initial decent up her hole. Already primed up with plenty of pussy paste, Denis slips right in. "Fuck, your pussy feels so silky and warm," he sighs as he begins to tear into her with a bit more gusto. By now, the girl is all worked up and is ready to be fucked. "Fucking take control of me!" Juelz cries, as Denis switches her out into a doggie spread.

Hovering over her ass like shadow, he slaps the slender sides of Julez's butt around and dribbles spit over her hole before popping his boner inside for round two. They fuck in this position for several minutes. Finally in the end, Denis arranges Juelz on the sofa in the same position as which they began and spills his seed across her feet saying, "Eat up baby, you've earned it!"

Just like poetry in motion, my time on set ends here, despite the fact that I'll be missing Mr. Pete screw the stockings off of Tanya Tate. Lets just say I have enough reserves in my nylon fetish file from the four features scenes to keep me happy for a while. After experiencing the movie in its entirety, I'm quite confident you'll feel exactly the same way.♣

on my pussy and I felt like I was going mental. I came on his mouth so hard it was a little embarrassing. He, instead, smiled and said I tasted just as good as he and Melissa thought I would! Then, Melissa took his cock and put it in my pussy as she watched while Victor fucked me. I reached up and put my hands on his sexy chest, and my pussy was so wet from his cock that he slipped out once or twice. Then, Melissa went around and she got down there to lick my pussy right where Victor was fucking it. This was a whole new side of Melissa I was seeing.

"See, we're all celebrating your birthday, honey," Melissa said, and she moved up to my titties and kissed and sucked them while Victor kept fucking me. Finally, my friend told me to get on top of Victor and be his cowgirl. I slid down on his cock and it felt so good and deep in me that I began to squeal. I came so fast and hard that everybody laughed. I covered my face because I feel shy after I cum, but then suddenly, I could feel Victor fucking me from underneath, then he pulled out and began to cum, too. Melissa and I licked it up as it shot into the air and onto his abs.

Well, that was the hottest birthday I ever had, and the party still continues, because now Melissa, Victor and I are a threesome for real.

—My Wish Came True, Miami

HELPFUL HANDYMAN

I am a very fortunate woman. I am married to a good, hardworking husband. We have a large home in the southwest with an outdoor pool and a full-sized private yard. My only complaint is that my husband, Ethan, travels a lot with his job, and sometimes I feel neglected and sexually unsatisfied. I don't know if it was luck or fate dropping a gift into my lap when Ethan hired Bill—a good-looking young man to care for the house and grounds. Bill and I always got along and he was very helpful around the house. He was tall, muscular and quite able to handle all the chores. After a few months, I wondered if he would be able to handle me.

I would often lounge by the poolside, subtly watching him do his chores. I would notice him staring at my large breasts and I knew right then that he must be a tit man. I hoped to get the opportunity to do more than show-off my tits through my bikini. I decided to take a dip in the pool while Bill was working in the garden. Ethan was away on a business trip as usual, so it was just the two of us. I was wearing my most revealing bikini with the G-string bottom. When I sashayed out onto the pool deck, Bill dropped his tool—his garden tool, that is. Bill's eyes were riveted to my bulging mounds and occasionaly to my firm asscheeks. I knew I had him. I lay at the poolside sunning myself and glancing at him. I could see the lump swelling in his pants. He lost total concentration on his job. I loved teasing him, but I wanted to do much more than to toy with him. "Bill, you've been working too hard today. Why don't you take a break and sit by the pool for a few moments." He was reluctant at first, then agreed.

His erection was only a few feet from me as my pussy was tingling. "I'm going for a dip. Why don't you join me, too?" "I don't have any swim trunks," he stuttered. "Your briefs will be just fine. We're both adults here." I did a little sexy strut past him and dove into the pool. He stripped down and jumped in right after me. I swam over to him, visualizing his erection under water. I wanted his cock so badly I could almost taste it. I was never one to waste any time. Bill was trembling as I boldly pulled his briefs down. "Relax, Ethan is away on business. It's just the two of us." His cock swelled to an impressive size even in the cold water, and I started to rub it. His cock felt like silk under the small, blue waves.

I dove down lower to plant his pole into the middle of my chest. I could feel the heat of his cock on my titties. "A tit fuck is good for soul." I sprawled and floated backward. His muscular body straddled mine and in an instant, he placed his throbbing cock between my big mams. He started driving his dick back and forth with tremendous power making my nipples larger and harder. The waves splashed around us from the force of his tittie fucking. "Come on Bill, harder. Fuck them hard" I begged. His powerful cock was drilling my tits with incredible speed and force. He grabbed my shoulders as he unleashed a massive load of hot jizz all over my boobs and onto my face. I couldn't believe he could let loose that much cream, but, he kept shooting like a busted water main. I never saw anything like it before and hated to see it stop. I licked as much of his load off myself as I could. It was the most bittersweet fuck I ever had.

"I'd better get back to work," he uttered. "You will do no such thing. You're working, indeed—on me." I pulled off my G-string, showing him my aching slit. I braced myself against the side of the pool, threw my legs over his shoulders and told him to do his job. His tongue slithered around my pussy like a serpent. He snaked it in and out, brushing over my swollen clit. He never missed a beat or an inch of my cunt. His precise movements took my breath away. My hole sizzled from the sparks of his tongue. My twat was so slick that his tongue almost slipped out a few times. He gave me a labial loving that led me to heights of pleasure I had never dreamed of before. I couldn't hold onto the sides any longer, so I dug my heels into his back as I let loose a powerful gooey climax. He didn't stop until I came several times.

Bill siphoned out every bit of my dewdrops. Most women would call it a day, but I was still anxious for some fucking. I braced the side of the pool as I poked the tops of my firm asscheeks out of the water. He was still hard as a rock, so he jackhammered my pussy from behind, reaming my snatch full to the brim. I couldn't catch my breath as he gave me the rear rocking of a lifetime as his balls rhythmically bounced off my clit. Both hands clenched my tits as he pounded with unbelievable force. I felt his cock swell up as he increased the intensity and I knew he was ready to cum. I pressed my ass as hard as I could into his loins as we culminated in a semen bath of epic proportions. My pussy quivered from the heat of his load combined with the cold of the water.

Thank god for the pool. The cool water revived us both a lot quicker. Bill went back to his chores as I went back to lounging in the sun and we occasionaly exchanged winks. I must say, Ethan is definitely articulate when it comes to hiring people.

CUMMING OUT IN CAMP

I never thought I had any lesbian tendencies or desires. Then the right woman came along. Actually, Julie was younger than me—19 to my 20—and we met last summer at a camp where we were both counselors. Nothing materialized between us physically until almost the last week of camp. It was a cold, damp week, and rain had been falling a lot. It took a lot of creative activities to keep the girls' spirits up. We had skits and dress up parties and more sing-alongs than usual.

One night to surprise everyone, Julie and I decided to dress up as guys and perform a comedy skit. While all the others were in the mess hall, Julie and I got our disguises ready. The cook found some old stuff for us to wear and we did the whole thing right—including taping down our tits down to give our chests a flatter look. That's when the whole thing started.

"The more I trembled, the more her tounge dove into the opening!"

As Julie was helping me pad and tape my breasts, I started becoming very aroused. I noticed that her tits were becoming erect as well. Jokingly, I said something like, "It's too bad you're not a man, I could use a good fuck," she laughed. "Who needs a man?" She answered.

I was a little taken aback. She continued, "We all get a little horny, but you sure don't need a man to cure that." She promised to show me what she meant that night after we put the girls to bed. The entire evening I was on edge, yet very excited about the prospect of having a woman make love to me.

That night, as agreed, we met in the infirmary. Julie was still dressed in her man's suit, which helped ease my trepidation. When she first parted my lips with her tongue, I felt something melt inside. I had never kissed a woman before, and it surprised me how soft and gentle it was. I let Julie take complete control of the situation and me, and after some heavy kissing and tongue sucking, she had me on the bed. As much as I enjoyed it, I kept thinking that I wanted a man. She had gotten my pants and panties off, and was literally drooling over my wet pussy. I was trembling with excitement by the time she put her mouth down there to taste my wetness. She found my clit immediately and was tonguing and fingering it, making it vibrate between her lips. I was almost screaming with the pleasurable sensations of her actions.

She wouldn't stop her sucking movements. Finally, I couldn't stop, and I felt the shivers of an orgasm that was so strong that I literally shook. That made Julie even more excited as she started lapping and licking at the juice flowing into her waiting mouth. Men had eaten me out before, but none were as persistent and thorough as Julie. The more I trembled, the more her tongue dove into the opening. I was soaking wet and exhausted, but satisfied.

"I'll show you that you don't need a man," she whispered. Then she pulled a big rubber phallus from out of her knapsack and started rubbing it all over my belly and pubic area. I was getting hot all over again. I liked the feeling of the rubber dick, and it helped me to once again think of Julie like a man.

She took off her pants with her tits still taped down and crawled back on top of me—with the dildo in between us. She inserted one end of it in her pussy, then filled me with the other end,

where the rubber head was. Other than my fingers, it was the first thing that had been in my pussy since camp started. The hungrier our kisses became, the humpier our motions got. Julie rode me with great passion. She pushed the fake cock into me deeper and deeper, at the same time letting her end tickle her clit. This felt as good—if not better—than any encounter I'd ever had with a real dick. The heat of the moment was overwhelming. Soon, we were bouncing up and down on the cot, trying to time our climaxes so we'd cum together.

I came furiously, with the dildo still inside. Then Julie was rocking even harder, and as she came, she grabbed me tightly to her. When she pulled the cock out, a stream of warm pussy juice gushed out of her and landed on my tits. She rubbed the dildo on my tits, coating it with her own juices, then made me lick it as though it were a real penis. Then, she crawled up and curled up with me. She put the dildo between us, so we could both take turns licking at it and kissing it and every once in awhile kissing each other.

The camp session was over a week later and we didn't do it together again. I promised Julie I would stay in touch, but so far I haven't. I guess I feel a little guilty, although I'm not sure why. I think I'd like to do it again, but I think I might require that the woman be more masculine than feminine. In the meantime, I thought I'd share my story. Who knows, I might inspire more young women to take the plunge!

IT'S BETTER THAN MILE HIGH

I'm a businessman who frequently flies around the country. That's fine with me because I get to ogle all the pretty stewardesses (or a sexier term: "flight attendants"). A lot of them flirt back. On a recent flight, I got to do more than just look. I still can't believe what happened. I'm dying to tell someone, and I figured I might as well write it:

It was on a night flight, from San Francisco to Hollywood and the plane was far from crowded. I was relaxing when one of the "stews" passed by and asked if I'd like anything. She was a knockout. She had auburn hair, with hazel eyes, and big, firm tits. It was an instant attraction. Her name was Mindy, and she looked to be in her mid-20s. She brushed against my arm then bent over to pick up something she "dropped," and I was afforded a great view of her fantastic boobs. My cock instantly took on larger dimensions, and Mindy couldn't help but notice the bulge tenting in my pants.

She didn't say anything, but her look spoke volumes. Mindy then excused herself, smiling seductively as she walked away. I'm not one to let a good thing get away, and I was determined to see if I could get to know Mindy better—even if we were on a plane.

I walked to the back where Mindy was standing and I started a conversation with her. Somehow the subject of sex popped up and soon, one thing led to another. She told me that I turned her on and I told her how sexy I found her. We

fondled each other as much as we dared out in the open. Then, Mindy told me to go to the bathroom. I went inside, and a couple of minutes later, she followed!

We locked the door and hoped that no one would have to use that toilet. Talk about a tight squeeze! There wasn't any room to undress, so I just unzipped my pants and pulled my cock out. Mindy took matters into her own hands—or I should say—her mouth. She knew exactly what she was doing. Mindy's tight lips clamped down around my hard-on and her head began bobbing up and down. The plane was also shaking slightly, and that helped to add to the frenzied motion of Mindy's sucking.

Mindy must have sensed that I was about ready to shoot my load, because she stopped blowing me. The next thing I knew, she had hiked up her skirt over her head. She then turned around and braced herself against the sink. There hardly seemed any room to maneuver, but I wanted to taste her sweet pussy so badly. I love to lick twat, and I never miss the chance when the opportunity presents itself. I squatted right underneath her, and true, it was a tight space, but like they say, where there's a will, there's a way.

I pushed her asscheeks apart with my hands, then let my tongue go to work. I lapped at her pinkness, my tongue swirling around her pussy lips. I lifted my head up a little higher and managed to invade her beckoning box. I tasted the insides of her wet sweetness while she moaned so loudly that not even the roar of the engines could drown it out. I let my tongue glide from her box to her engorged clit as I took the little nub inside of my mouth and savored it. Mindy's cunt began dripping her juices right onto my tongue and down my throat. I'd licked a lot of pussy before, but none of which yielded more sweet nectar. As I lapped away, her body shook a lot more than the plane and she orgasmed in my mouth, against my tongue. What a feeling for each of us.

Neither of us was satisfied, though. With Mindy maintaining the same position, I managed to slide my prick into her slick pussy. Furiously, I began pumping away, as we soared through the air. In the middle of our fucking, we encountered some turbulence. As we hit an air pocket, the plane lurched forward and my cock pushed so deep into Mindy that I thought it would come out her mouth. It was inevitable that we would both cum from this jolting development.

"The whole idea of fucking in the bathroom of a plane was so stimulating!"

In fact, I came so hard and so much that I thought my semen would never stop flowing. The whole idea of fucking in the bathroom of a plane was so stimulating that I must have shot a few gallons of cum. Mindy's second orgasm was even more intense than her first and it took several minutes for her body to stop shaking. She was moaning and her face was all flushed. When we calmed down, we both cleaned up and then Mindy eased her way out of the John. I followed soon after.

The rest of the flight was uneventful. Mindy passed by a few times, but each time she just nodded or smiled. We didn't say anything to each other until we landed, when we said goodbye. Needless to say, it was the most incredible plane ride of my life—a fantasy cum to life—and I'll never forget it. The skies were indeed friendly that night!

THE SWING OF THINGS

I'd like to tell you about my wife, our friends and I. We're swingers. Seems to me that swinging isn't what it used to be—it isn't nearly as popular as it was ten or so years ago. But that doesn't bother us. We do it because we enjoy it.

When we started swinging about five years ago, all six of us were quite nervous and awkward. But now, taking off our clothes is as natural as saying hello. So, let me describe the ladies in our group: My wife, Tina, is petite and dark-haired. Her slender body is in perfect proportion. Her tits aren't too big, but they aren't too small, either. Her butt has a nice shape to it, too.

Karen is almost the exact opposite of Tina. She's about 5'8," weighs about 150 pounds, with blonde hair, blue eyes and big, bouncing tits. Did I mention her full, lush ass?

At 26, Lisa is the youngest member of our little circle. Her hair is usually purple, although occasionally she goes for a deep blue tint. This may sound weird, but she carries it off very well. She

wears a lot of black, and the sight of her luscious body wrapped in a slinky black teddy is enough to give any guy a hard-on.

Ben, Karen's husband, is about six-feet tall. His shoulders are broad and he's damned handsome if I say so myself. I'm happy to report that while Don, Lisa's hubby, and I aren't as pretty boy perfect, we've both got bigger, fatter cocks. When the ladies want to stuff themselves with plenty of big, hard dick, we're the right men for the job.

Last night, I watched Tina suck Ben's cock while Karen sucked mine. Karen's cocksucking techniques are a nice change of pace from Tina's. Tina likes to grab the base of your cock while she jerks it rapidly and sucks it staccato-style. Karen likes to caress your balls and suck you slowly and deeply, until she's got your shaft all the way down her throat. With Tina, a blowjob is like nice, wet masturbation session. With Karen, there's no mistaking what's going on. She's always sucking your dick—coaxing you to cum hot and heavy in her always wet and warm mouth.

However, Tina's the one to watch for fun. While Karen held and gently squeezed my balls—as her lips were hugging the base of my shaft, I watched my wife suck like crazy on Ben's dick. On the other side of me, Lisa was sitting on her husband's lap and had her legs spread as he was using both hands to masturbate her cunt. She was really into it as she writhed against his hands and used her own fingers to pinch and rub her nipples.

Karen was giving me a fantastic blowjob, but it felt almost as though she were doing it in slow motion. I could tell that she didn't want to push me over the edge, and with a shiver of lust, I realized that she probably wanted me to fuck her. I watched as Tina finished Ben off, jerking his cock harder than ever and yanking his dick from her mouth just as it began to erupt. I heard Lisa cry out that she was cumming as she watched Ben's cum shoot out.

back at me to see how I was reacting. Holding my dick in my hand, I came up behind her and rubbed it against her cunt a little. I then fit the tip into her pussy and thrust into her with one clean, deep stroke. She groaned as the full length of my shaft entered her. We'd been at it a couple of minutes when Ben joined us and he watched as my cock slid in and out of his wife's wet cunt. Then he lay down beneath us like a mechanic sliding under a car, and reached up to fondle her clit while I fucked her.

That clearly gave Karen the extra jolt needed to cum. Karen's body suddenly went wild as she braced back against me, fucking me

Too close to cumming myself, I pushed Karen away and eased her down onto the floor. I couldn't fuck her yet—otherwise I'd cum too soon. Besides, I wanted a taste of her delectable pussy. I placed my hands on her upper thighs, and for a moment, I simply enjoyed the warm, taut, resilient feel of her sleek legs. Then, I spread her thighs apart and dipped my face into her tasty cunt. Massaging her fleshy cunt lips with my thumbs, I opened her up and exposed her stiff, red clit. I gazed at her cunt, and she whispered, "Lick it. Please lick it!"

I started to lap at her, swirling my tongue around and around her clit. Her nub was firmly planted in my mouth and I thrust two, then three fingers into her wet, tight snatch. She was so excited and slick that it felt like she were just sucking my fingers into her. Her whole body went rigid as she slammed her cunt against my face. I could feel her vagina contracting around my fingers as she came, and I just kept sucking on her clit until she slithered away.

She got on all fours and looked with all her might as her husband diddled her clit. She cried out as she came again, and with a ragged sigh of relief, I plunged the full length of my prick into her and shot her full of hot cum.

Spent, I sat on the couch to relax and regain my strength. It was stimulating enough just to watch the other action going on. Don was licking Tina's pussy and he had his cock in his hand and was jerking off while he ate her. Ben had found himself another "party" to crash. Lisa was taking his rod into her mouth and working it around. He was groaning, "Baby, that's nice. Yes, suck it. Suck it just a little harder!" She did, and he came, the jizz dribbling down the corners of her mouth!

The night was still young and the six of us sat around, watching a movie until we got our second wind. When it came time to leave, no one was too sorry. After all, our club would soon meet again. It's a swinging good time.

THE DOCTOR IS IN

I'm a gynecologist. Okay, let's get all the jokes out of the way. Let me make one thing perfectly clear: I don't mix business with pleasure. The vaginas I see during the day are just that—vaginas. At night, though, it's a different story; I crave pussy. I'm good-looking, relatively young (38), and make a very good living. Chicks are impressed and I'm happy to admit that I get a decent amount of hot tail. I usually like my babes a bit younger, and I'm into one-night stands. Bars and clubs are my preferred evening operating rooms. But, my most recent experience was quite atypical and definitely wild.

I attended a medical convention in San Diego. It was for OBGYNs, and most of these conventions are long and boring. Usually, I go for the booze, travel and chance to hook-up with girls in the hotel bar. This time, though, I got quite the surprise. On my first day, I was seated in the auditorium, listening to a lecture on some inane topic. Looking around, I saw lots of stoic male colleagues and some dried-up female peers. The seat next to me was open, and about ten minutes into the lecture, a very attractive blonde sauntered in and sat down. Man, she was pretty—mid-30s—with a smokin' body underneath her expensive, tailored business suit. I tried making conversation, but she kept on sushing me. After the lecture ended, she quickly split, and I figured that was the end of that.

That evening, after freshening up, I made my way to the hotel bar. It was very crowded mostly with the attendees. I did notice a couple of cute "civilian" chicks, and I planned to hit on them. Suddenly, I turned around and found myself face to face with the hot doc from the afternoon's lecture. "Mmm...you don't seem quite so talkative now as when the lecture was on. Let me guess: You think you're nature's gift to pussy—literally and figuratively—and you can get any woman you want to fuck you."

I just stammered, very taken aback by her abrasive presence. When she told me to buy her a merlot, I nodded. Making small talk, she told me she was a gyno from Cleveland, with a successful practice who liked letting her hair down at out of town conventions. When she said, "Let's go up to my room and play doctor!" I was quite ecstatic. I didn't know just how literally she meant that, though.

Once inside her room, she poured a couple of drinks from the mini-bar, then told me, matter-of-factly, "I have a thing for role-playing. Today, you're my doctor. I want you to treat me exactly as you would a patient. I have a fantasy of being examined by a handsome gynecologist, then being taken 'advantage' of by him." Talk about kinky! But a good doctor always obliges his patients!

I told Beverly (my 'patient's' name) to undress and climb onto the table (in this case— her bed). I was right about her smokin' body. Tight and curvy, she had nice tits and a round ass. As she splayed herself out on the bed, I began my "examination." First, I cupped her supple breasts, feeling for "lumps." The only lump I felt was the rising one in my pants! Her nipples danced under my fingers, then became even more erect as my tongue prodded them.

Next, sans stirrups, I spread her legs as wide apart as they would go. Even before I could physically examine her privates, the musky smell of arousal wafted up and stung my nose, causing my excitement to be further heightened. I used a couple of fingers to probe the pink insides, and my digits slid easily in and out. Beverly's pink wetness was clearly visible and as I increased the depth of my "pap test," she grew even wetter.

"To make sure you're healthy and your vagina has no infection, it's necessary for the doctor to perform a taste test," I intoned in my most professional voice. Then, I dove in. Her cunt certainly tasted healthy—salty-sweet, dripping wet, warm and sticky. I ate her with all my vigor, until her body spasmed and she lost control. You didn't need to be a doctor to realize she has an explosive eruption.

"Okay, I don't think you have an infection," I said, "But as the final part of the examination, I must probe your insides to make sure there are no obstructions deep within." She nodded.

My cock was now raging-hard. I positioned myself above the entrance to her cunt then pushed in. My dick entered without pause, and I began to pump. My first motions were slow and steady, but Beverly's moans prompted me to stroke harder and faster. This "patient" was most welcoming indeed. I fucked her more stridently, until my whole seven inches were embedded inside. Twisting and turning, I gave it my all. Her body shook— almost coming off the bed—and as I felt her give way to a powerful climax, I offered up my seed—and doctor and "patient" became as one!

Afterwards, I told her, "You seem to be in perfect health. Your vagina is in fine condition. She smiled, nodded, and then said: "In that case, I think the doctor needs to be examined." And that's a story for another time. Let's just say, she gave me a thorough examination unlike any I had ever had!

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

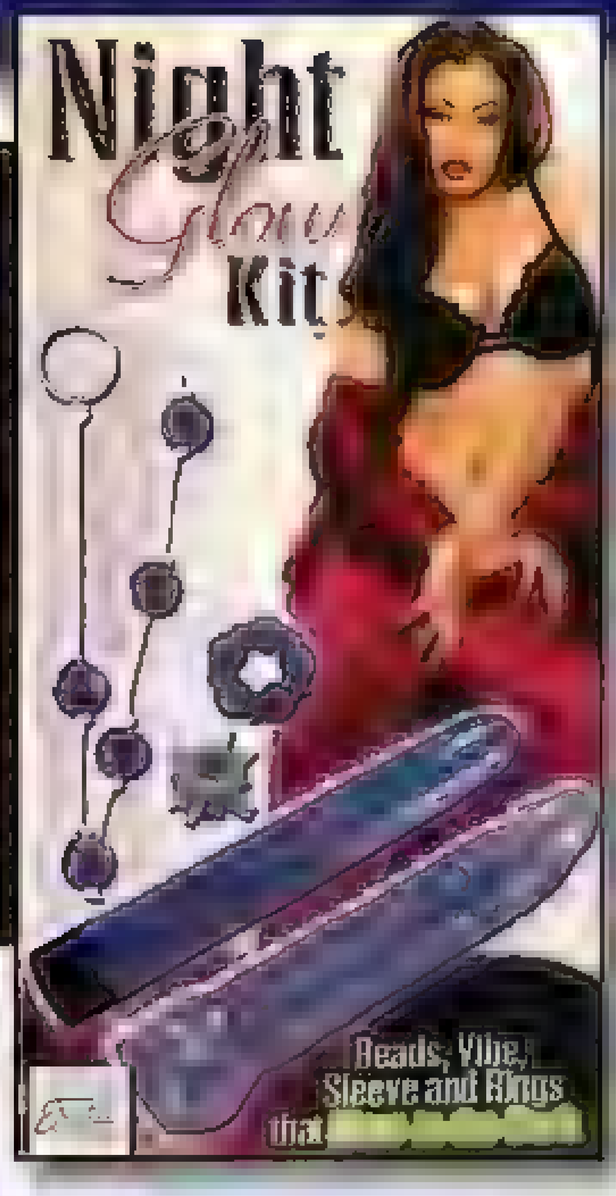
FRENZIED OVER FISHNET!

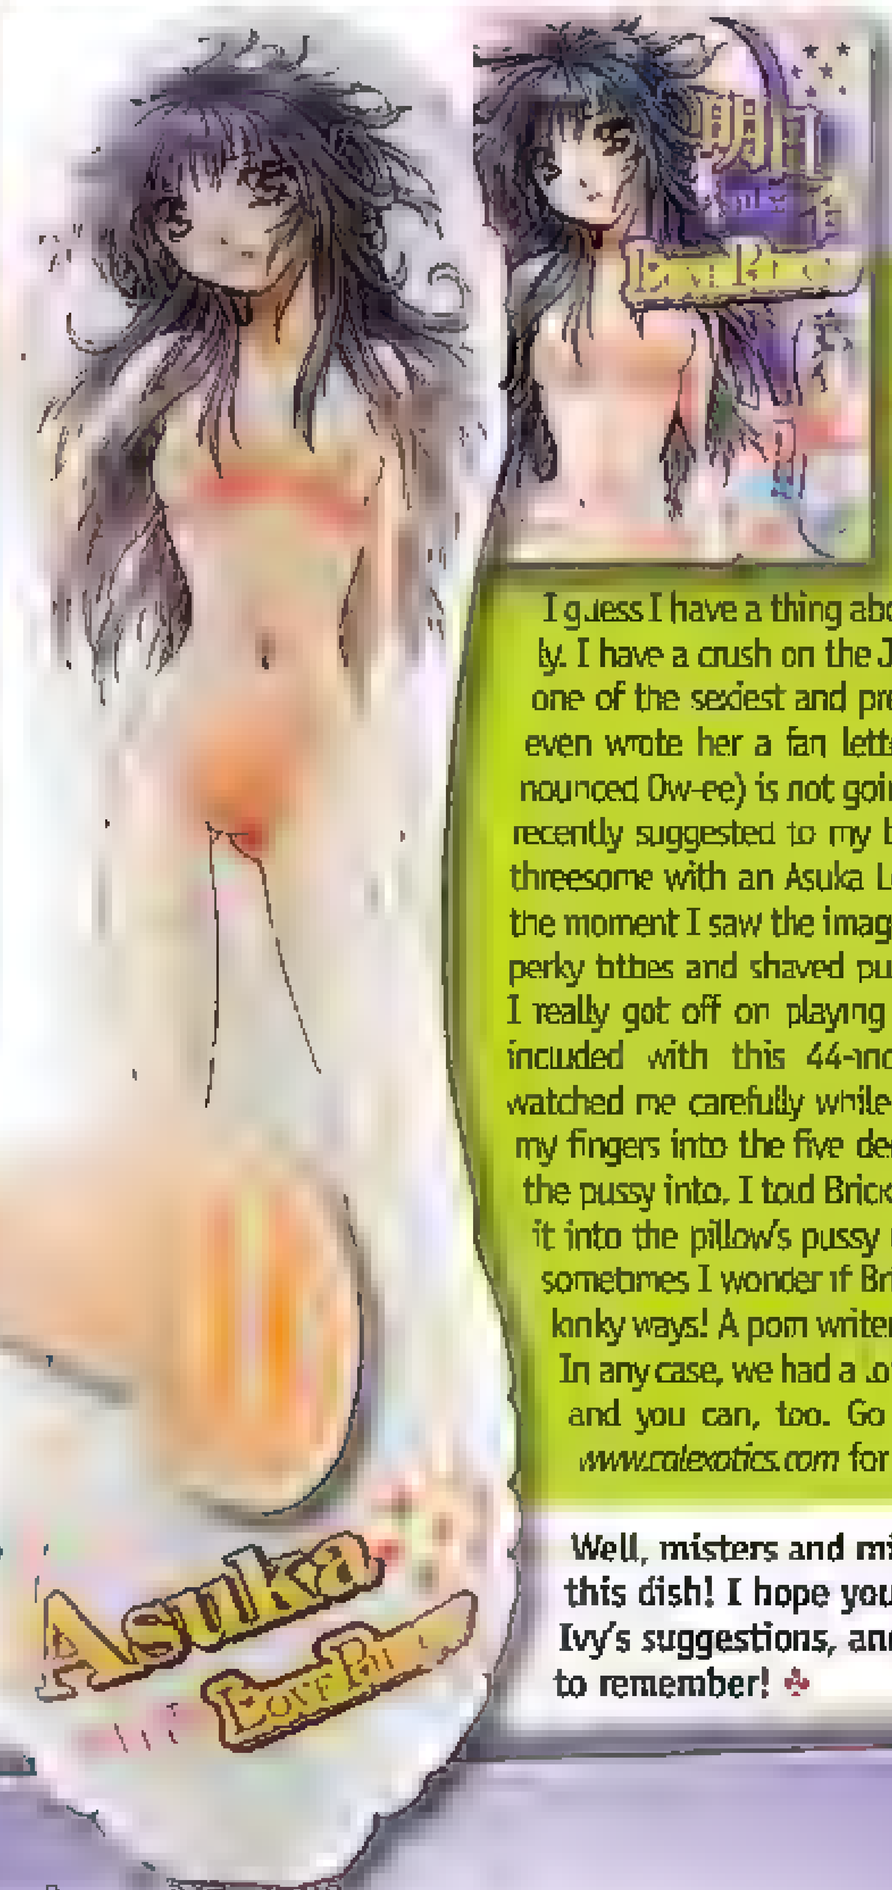
I can't speak for other girls, but I know nothing says "sexy" to me like fishnet. I have fishnet stockings, dresses and body suits. I would even wear a fishnet bikini if it wouldn't get me arrested at most local beaches! So, I always have room for one more fishnet item in my drawer or closet, and when I got a look at the Erotique Sexy Fishnet Top with G-String from Cal Exotics, I had to try

one. Maybe it was the cute little bows on the top? Or maybe I was sure as soon as I put it on I would feel just as sexy as the model on the box? Now, I'm not as gorgeous as she is (except maybe in my fantasies and in the porn stories I write), but when I slipped on my Erotique ensemble, all I know is that my sometime bed-buddy, Brick, went ga-ga! In a flash, his hands were all over my boobs and pussy, rubbing them through the soft, stretchy fishnet until his cock was so hard against my thigh that soon things became very gooey! What I'm saying is, fishnet works for me-and maybe it'll work for your girl, too! So, gift her with this one-size-fits-most item by going to the Sensual Attire section at *www.calexotics.com*

LUMINOUS LUSTLAB!

I've told you, readers, that I've had my small share of bi-curious adventures, and since it's only an occasional thing with my bed-buddy, Brick, and me-I try to make my girl/girl encounters special! One way I do that is with interesting toys like a Night Glow Kit from Cal Exotics. The lavender glow-in-the-dark massager is really cool as I move it over a girl's breasts and down her belly to her soft pussy. As I kiss her mouth and she gets more turned on, I can adjust the multi-speed vibrating power to amp up the heat on her clit, or if she wants, I can slip the toy into its sensual penis sleeve made of PVC. But, that's not all-there's a stretchy star, beaded rings, and pleasure beads. The Night Glow Kit is an entire luminous lust laboratory brimming with possibilities! With that, it's not just for lesbians-a guy can use it with a girl, too. It comes with two AA batteries. Find it at the Kits for Lovers section at *www.calexotics.com*.





HAVE A MENAGE A PILLOW!

I guess I have a thing about Japanese-themed erotica lately. I have a crush on the Jenna Jameson of Japan-Aoi Sola-one of the sexiest and prettiest girls in the whole world! I even wrote her a fan letter once. Anyway, since Aoi (pronounced Ow-ee) is not going to show up in my apartment, I recently suggested to my bed-buddy, Brick, that we have a threesome with an Asuka Love Pillow from Cal Exotics! From the moment I saw the image of the sweet anime girl with her perky titties and shaved pussy, I wanted her in bed with us. I really got off on playing with the lifelike pussy, which is included with this 44-inch long inflatable pillow. Brick watched me carefully while I kissed her all over and slipped my fingers into the five deep love passages that you can fit the pussy into. I told Brick to stroke his cock and then I put it into the pillow's pussy until he shot his load. You know, sometimes I wonder if Brick loves me for me, or just for my kinky ways! A porn writer girl like myself can never be sure. In any case, we had a lot of fun with an Asuka Love Pillow and you can, too. Go to the New Products section of *www.calexotics.com* for the info!

Well, misters and missies, that's the scoop for this dish! I hope you take some of your Naughty Ivy's suggestions, and have yourselves Playtimes to remember! ♣
